Help make a difference in your community. Join an MRC Unit!

Volunteers:

- Respond to public health emergencies
- Engage in health education outreach and disease prevention activities
- Provide first aid stations and blood pressure clinics at community events
- Receive various trainings to enhance their skillsets

Medical Reserve Corps (MRC) volunteers come from a variety of backgrounds (medical and non-medical), volunteering the time their schedule allows on health and wellness activities and/or just serving in times of need.
